Call For Papers

ROVISP 2018 <http://rovisp.eng.usm.my>

The 10th International Conference on Robotics, Vision, Signal Processing and Power Applications (ROVISP) which is organized by the School of Electrical and Electronic Engineering, Universiti Sains Malaysia will be held in Penang on 14th to 15th August 2018. ROVISP 2018 conference provides an excellent forum for researchers, scientists, engineers, academicians, students & industrial professionals to present and exchange research findings and activities.

Technical Tracks

ROVISP 2018 Conference invites papers in all aspects of electrical, electronics and mechatronics engineering. The topics of interest are as follows:

- | | |
|---|--|
| § Robotics, Control, Mechatronics and Automation | § RF, Antenna Applications and Telecommunication Systems |
| § Vision, Image and Signal Processing | § Power Systems, High Voltage and Renewable Energy |
| § Artificial Intelligence and Computer Applications | § Electrical Machines, Drives and Power Electronics |
| § Electronic Design and Applications | § Devices, Circuits and Embedded Systems |
| § Biomedical, Bioengineering and Applications | § Sensors and Sensing Techniques |

The Venue

Penang Island, popularly known as the “Pearl of the Orient” is located on the western coast of Peninsular Malaysia. It is connected to the mainland by two bridges; among the longest bridges in the world. Whilst embracing modernity by being the top 3 most developed and industrialized states in Malaysia, Penang still retains its traditions and old charms. Georgetown, the capital of Penang, a UNESCO World Heritage site holds some of the oldest and historically significant structures. It is also renowned for its diverse culinary delights and many beautiful beaches.

Prospective authors are invited to submit full paper in English of 4-6 pages in length including figures, tables and references. Papers exceeding the page limit will be rejected without review. All accepted and presented papers will be included in the conference proceedings published by Lecture Notes in Electrical Engineering (LNEE) - Springer. (Indexed by EI and Scopus)

Important Dates

- Submission of Full Paper :**
23rd March 2018
- Notification of Acceptance :**
21st May 2018
- Submission of Camera Ready :**
6th July 2018
- Early Bird Registration :**
8th June 2018

Any enquiry, kindly contact:
